

S-OneLP - 1.2mil PET Thermal Lams (Gloss/Matte)

Flex Pack 1.2 is polyester based over-laminating film with a high performance, thermally activated adhesive. The product line was developed specifically for flexible packaging applications where a thermally applied surface lamination is preferred, such as digital flexible packaging applications. It is available in a high clarity gloss finish, as well as matte finish.

Features	Benefits
Direct Food Compliant	The polyester is FDA approved for direct food contact
Outstanding Over Laminate	Offers superior finish and ink protection

Property	Expected Value	Unit of Measure	Reference Method
